ORGANISATION FOR CO-OPERATION BETWEEN RAILWAYS (OSJD)

The Organisation for Co-Operation between Railways (OSJD) is an international Organisation established at the Railway Ministers Conference in Sofia, Republic of Bulgaria, by the ministers responsible for the railway transport, on June 28th, 1956. The OSJD activities are undertaken according to the OSJD Statute, which is of an international treaty nature.

OSJD Committee is a depositary of:

- two international agreements, being of vital importance for the cross-border rail traffic – Agreement on International Passenger Traffic (SMPS) and Agreement on International Goods Transport by Rail (SMGS);
- tariffs – MPT, MTT and ETT;
- rules for the use of passenger coaches and freight wagons – PPW and PGW;
- other agreements and contracts.

Among the OSJD members there are transport ministries and central transport bodies, responsible for the railway transport, from 30 countries.

According to the Statute of the Organisation for Co-Operation between Railways, other forms of participation in the OSJD are possible, e.g.: as an observer – for ministries or railways (there are 3 of them at present), and as an affiliated enterprise (currently the total number of them is 34) – for the organisations and companies involved in railway activities.

FIELDS OF ACTIVITIES

Major OSJD activities comprise:

The Conference of General Directors (Authorised Representatives) of OSJD Railways (CGD) organises the work and makes decisions on the issues related to the areas of OSJD activities within the competence of railways and railway undertakings. In 2026, CGD anniversary meeting XL (40) was held from 20 till 24 April in Astana (Republic of Kazakhstan), while CGD meeting XLI (41) is scheduled for April 2027 in the Republic of Uzbekistan.
