As of 3 December 2024

## ORGANISATION FOR CO-OPERATION BETWEEN RAILWAYS (OSJD)

The Organisation for Co-Operation between Railways (OSJD) is an international Organisation established at the Railway Ministers Conference in Sofia, Republic of Bulgaria, by the ministers responsible for the railway transport, on June 28<sup>th</sup>, 1956. The OSJD activities are undertaken according to the OSJD Statute, which is of an international treaty nature.

OSJD Committee is a depositary of:

- two international agreements, being of vital importance for the cross-border rail traffic – Agreement on International Passenger Traffic (SMPS) and Agreement on International Goods Transport by Rail (SMGS);
- tariffs – MPT, MTT and ETT;
- rules for the use of passenger coaches and freight wagons – PPW and PGW;
- other agreements and contracts.

Among the OSJD members there are transport ministries and central transport bodies, responsible for the railway transport, from 30 countries.

According to the Statute of the Organisation for Co-Operation between Railways, other forms of participation in the OSJD are possible, e.g.: as an observer – for ministries or railways (there are 5 of them at present), and as an affiliated enterprise (currently the total number of them is 36) – for the organisations and companies involved in railway activities.

### FIELDS OF ACTIVITIES

The Conference of General Directors (Authorised Representatives) of OSJD Railways (CGD) organises the work and takes decisions within the capacity of railways and railway undertakings. In 2024 meeting XXXVIII (38) of the Conference was held on 15-19 April in the city of Ashgabat (Turkmenistan), whilst CGD meeting XXXIX (39) is planned to be held in April 2025.
